Hello Barbara,

Attached, please find copies of WaterLegacy's comments regarding the MPCA's proposed changes to Minnesota's wild rice sulfate standard and copies of the expert opinions and attachments filed in support of these comments. The exhibits filed in support of these comments are too large to send by email, and downloading them from the OAH website may be inconvenient. They have been uploaded to DropBox at <https://www.dropbox.com/sh/utytmuo0l44f63v/AAAwAP2oAMyCzOAXdNU5wueJa?dl=0>

Please let me know when you have downloaded and opened these comments, expert opinions and exhibits. If you need a CD of the exhibits for EPA's records, please also let me know and I will prepare one for EPA.

I would also greatly appreciate knowing with which staff you have shared these documents.

Thank you,
 Paula
